CONDITIONS OF SALE

All bids are entered as received and lots distributed to the highest bidder without reserve.

TERMS: The terms of auction sales are strictly cash and must be paid for immediately upon receipt of material. Bidders unknown to us must send a deposit of at least 25% of the amount of their bids or send satisfactory reference, otherwise the bids will not be executed.

NOTE: Be sure to bid on the lots of interest at so much **PER LOT**, and not by the piece. By so doing this will help us omit all unnecessary multiplications when preparing your invoice and expedite the service.

VALUATIONS: To assist bidders, estimated or catalogue values are quoted based on rarity and market prices, amounts in brackets ($0.00). We do not guarantee the bids will be successful at these figures which are not the maximum. Higher or lower prices may prevail.

NO COMMISSION CHARGES FOR EXECUTING YOUR BIDS.

Be sure and bid on the right lot as we will not hold ourselves responsible for any errors of this kind.

We have taken great pains in describing each lot accurately; in fact the condition of many coins are favored.

If you are interested in any particular lot and do not know how much to bid, we shall be pleased to advise you in regard to the value of same.

No claims will be allowed unless made promptly and in writing first and no material returned unless it is the fault of the cataloguers.

Send your bids on receipt of catalogue. In our last sales some bids came in too late and could not be executed.

Everything guaranteed genuine unless otherwise described.
